**From the Pastor: To pray for the living and the dead—
 Spiritual Work of Mercy:**

Prayer is a powerful means of helping someone. The living need prayers so that they can follow the will of God, and the dead need prayers so that any debt that they owe God may be satisfied quickly so that they may be admitted into heaven. We have an obligation to pray for our family and friends; it is meritorious for us to pray for those whom we do not know.
