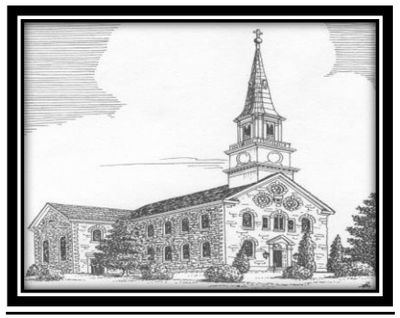
Basilica in Time



An interesting passage from a document in our parish archives entitled "The Church" page 2:

"Father Nicholas Steinbacher, S.J. had already made considerable improvements in the interior of the church. He engaged Mr. Gebhart (Goeppert) of Philadelphia in 1844 to paint the interior. John T. Reily says this artist also did the picture of the Assumption of Our Lady on the nave ceiling and the four evangelists. In any case, it was necessary to paint the new part of the church and for this work Father Enders happily chose Franz Stecher. For the centenary, the church was repainted by Lorenzo C. Scattaglia, of Philadelphia, who was a friend and fellow student in Venice of Filippo Costaggini who painted the Apparition of the Scared Heart at the same time."

Our interior project- which starts this week- will restore and strengthen much of the fine work done by these ancestors in the faith.

Change in Daily Mass Times

Starting this week, we will be changing daily Mass times. **More often, daily Masses will be celebrated at 12:15pm**.

Why the change?

This year it has become apparent that 12:15pm is a good time for many parishioners of diverse schedules and ages. A few months ago, when we had started offering a Monday daily Mass at 12:15pm the attendance was significant. It still is. Neighboring parishes have morning daily Masses but few or none offer 12:15pm as an option.

Moving Forward

To be honest, 12:15pm on weekdays is not the easiest time for priests to celebrate Mass, particularly when there are all day conferences to attend. Sometimes, we will need to cancel a daily Mass in order to have a funeral Mass. We will note that in the parish bulletin and/or announce it at daily Masses before the day of the funeral. As is tradition here, first Fridays, Fridays of Lent, national holidays, Wednesdays during the school year, Holy Days of Obligation, Ash Wednesday, the Feast of the Sacred Heart, Forty Hours, and other special days have their own unique schedules. But as for this week:

12:15pm- Monday September 12
12:15pm- Tuesday September 13
8:30am-- Wednesday September 14
12:15pm- Thursday September 15
12:15pm- Friday September 16

Check the bulletin regularly to see when daily Mass will be celebrated on a given day.

Parish Adult Education

The Science and Significance of Eucharistic Miracles
Sunday October 9 at 7:00 pm in the Gym

This multimedia presentation highlights the importance of the Holy Eucharist and provides an overview of the amazing findings of *scientific studies* of several Eucharistic miracles. It will be given by Steve Hemler, President of the Catholic Apologetics Institute of North America (CAINA) and author of a trilogy of published apologetics books. Many of his ancestors attended Conewago Chapel and are buried here.

The consistent teaching of the Catholic Church is that the Eucharist is truly the Body and Blood of Jesus Christ under the appearance of bread and wine. But most people, even many Catholics, doubt this teaching. In order to manifest Christ's Real Presence and dispel doubts, God sometimes provides us with Eucharistic miracles, which include consecrated hosts being transformed into real human flesh and blood. This presentation will strengthen faith in the Real Presence and equip attendees with new information for sharing with family and friends about the importance of regularly attending Mass.
