HOLY HOUR FOR LIFE

Sunday October 16, 2022

3-4pm

In the Basilica

October is Respect Life Month. Remembering the importance of all human life- especially innocent human life- we come together to pray that Our Lord would have mercy on us for all of the ways we have violated his precious gift of life. Come pray to Jesus with us for He is truly present in the Blessed Sacrament.

Interior Restoration Project

This week, the conservators are planning to finish up the mock-up- particularly the top and bottom parts.

As announced last weekend, Sacred Heart Parish has been awarded a $500,000 match grant from a local foundation. Once we raise $250,000 in the parish, the foundation will give us another $250,000. Then when we raise another $250,000, they will give us an additional $250,000. This is certainly the "home stretch" of the financing of this project. We encourage you to consider making an additional donation- particularly since it will be matched.

Basilica in Time

Our Lady's Chapel has a history of its very own. As a passageway between the two buildings, this area became a library before 1870. However, at the construction of the steeple, this was Father Ender's second residence at Sacred Heart. The health conditions of the aging priest provided a solution for less travel serving the congregation daily. The Sacred Heart Chapel, named by Father Cowadin, was easy to heat and convenient for all the priests during the winter. An entrance to Father Ender's confessional was also constructed from this room.
