The Catholic Voter's Guide

Each election season, the Pennsylvania Catholic Conference produces a Voters' Guide as a platform to help voters learn more about the major party candidates and to begin to discern how to respond to elections this month. Find it on the diocesan website at:

From our Pastor

Question: Is the Interiors Fund the same as the Building Fund?

Answer: The Building Fund and the Interiors Fund are not the same fund.

- **The Interiors Fund** is a capital campaign for the interior restoration of the Basilica. Monies in this fund are to be used for restoring the interior of the Basilica.
- **The Building Fund** is a permanent fund in the parish that can be used for *any* parish building project, including- but not limited to- the Interior Restoration Project.

Our parish initiated the Interiors Fund about 16 years ago in an effort to begin raising the necessary funds for the interior restoration of the Basilica. Since it is a capital campaign, it is intended to be temporary. The Building Fund is not a capital campaign nor is it temporary.

Visitors of the Homebound Meeting

There will be a meeting at the home of Christine Reynold on **Thursday, November 10 at 2:00pm**. Anyone with questions or interested in joining the group, please call 717-632-5717.

Church Cleaning this week will be on **Friday, November 11 at 3:30pm**. Please note the time change. Any help would be appreciated. If you cannot help this week, please consider helping on a different Friday at 3:30pm as the church needs more frequent cleaning due to the restoration work being done.
